SKYPODS

Skypod - an innovative pitched lantern roof range that's been created for today's style-conscious homeowner.

Skypod is available in a wide range of sizes and styles so you can create a lantern roof to suit your home. They can be installed in many different projects; flat roofed extensions, conservatories, new builds and kitchens. Known to maximise natural light and create height within a room, Skypods are energy efficient and can achieve U-values as low as 1.0*

*Standard u-value is 1.2 - u-value is applicable to glass only.

Material

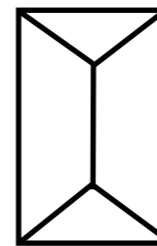

uPVC and Aluminium

Glazing

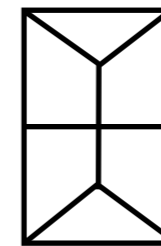

Double glazing

If you're looking for that something different to create a beautiful and bright space for your customers, then talk to one of our team members today.
